Proactive team collaboration

Did this student actually move the project forward?

I experienced that this student:

- ☒ Showed leadership
- ☒ Took ownership of tasks that were assigned
- ☒ Completed tasks with attention to quality
- ☒ Actively helped the group when problems occurred
- ☒ Was consistently highly productive
- ☐ Avoided responsibility or needed frequent reminders

If possible, provide a concrete example:

Being scrum master they showed leadership in making sure everyone knew their own tasks, keeping track of what everyone was doing.

Planning & Reliability

How did they handle time, priorities, and commitments?

I experienced that this student:

- ☒ Properly used project planning tools
- ☒ Helped the team keep track of deadlines
- ☒ Consistently meets deadlines
- ☒ Set realistic priorities and scope
- ☒ Communicated early when deadlines were at risk
- ☐ Caused delays without clear communication

If possible, provide a concrete example:

They were the person who set up the Trello for us to use, made sure to check up on everyone and see if we were on schedule and by doing that was also able to identify possible delays or problem areas.

Collaboration & Communication

How did they behave in group work and meetings?

During collaboration, this student:

- ☐ Was present, focused, and prepared for meetings
- ☐ Listened actively to others
- ☐ Responded to others in a respectful and appropriate way
- ☐ Did address communication issues/conflicts
- ☐ Created space for others to speak or take responsibility
- ☐ Was on time for meetings and present to deliberate
- ☐ Dominated discussions or distracted the group

If possible, provide a concrete example:

Was almost always on time and took the lead for our daily standup meetings. They made sure everyone was able to say what they wanted to during these meetings.

Learning Attitude

Did they learn and adapt during the project?

I experienced that this student:

- ☐ Was open to feedback
- ☐ Reflected on their own behaviour or decisions
- ☐ Adjusted their approach during the project
- ☐ Repeated the same issues without reflection

If possible, provide a concrete example:

TOP:

What behaviour of this student had the most positive impact on the project?

Their leadership and initiative led to the team being able to work efficiently.

TIP:

What is one concrete behaviour this student could improve next time?

I don't think there is one specific thing they should or have to improve on, so I would just say staying open to learning and improving.
